and arthritis

Net Wt. 6 oz. (170.1 g)

Drug Facts

Active Ingredient

Capsaicin 0.03%

Purpose

Topical analgesic

Uses temporarily relieves minor body aches and pains due to:

■ arthritis pain ■ back pain ■ muscle aches ■ joint pain

Warnings for external use only

Do not use ■ immediately before or after bathing or using a hot tub ■ in conjunction with heating pad ■ under wrapping or bandage where perspiration is likely to occur

When using this product ■ avoid contact with eyes, mucous membranes, open wounds, cuts, abrasions and where skin touches skin ■ perspiration may increase the sensation of heat ■ rinse eyes with cold water if irritated

Stop use and ask doctor ■ if excessive irritation occurs ■ if condition worsens ■ if symptoms persist for more than 7 days or clear up and occur again within a few days

Keep out of reach of children. If swallowed get medical help or contact a Poison Control Center immediately

Directions ■ apply to the region of specific pain or injury ■ reapply up to three times per daily ■ wash hands thoroughly in the event of contact ■ because activation takes about 1 hour, first time users should apply a small amount and increase gradually on reapplications depending on reaction ■ For use on children under the age of 12 consult a physician ■ Arthritis sufferers: Apply three times daily for two weeks. Wait twenty minutes before washing arthritic hands. Thereafter use as needed

Other information ■ Store at room temperature
